

LAMCO LFL® and LAMFLOOR® WARRANTY

LAMCO LFL® and LAMFLOOR® manufactured by LAMCO Forest Products Inc. (hereinafter referred to as LAMCO) are warranted to be free of manufacturing and workmanship defects for the life of the structure.

Conditions of warrant are:

1. LAMCO products have been properly stored and protected from prolonged or unreasonable weather conditions such as; rain, moisture, excessive sunlight.
2. LAMCO products have been properly handled in accordance with instructions provided on the company's website (<http://www.lamcoewp.com/en/>).
3. LAMCO products have been installed following dimensional lumber framing practices and in accordance to all local, state, national or governing building codes or at the direction of an accredited professional engineer of record for the project if specified direction supersedes previous codes.

Conditions not warranted:

1. Prolonged exposure to water or humidity resulting in mold, spores, rot, termites or any natural element if stored or used installed in conditions with inadequate ventilation.
2. Excessive sunlight or high temperatures causing cracking and checking when stored unprotected.
3. Fire, flood/mold, natural disaster or any other cause beyond LAMCO's control.
4. Structural defects resulting from improper installation or assembly, excessive loads or stresses during handling or installation, or any use of product not in accordance with the purpose for which LAMCO products were designed (such as elevated walkways or scaffold planks).
5. Damage to the structure occurring before, during or after installation.
6. Failure to comply with installation instructions, current building code standards and/or generally accepted practices in the construction industry.
7. Holes or notching exceeding LAMCO specifications or Multiple-ply assemblies exceeding LAMCO specifications or applicable building codes.
8. The application of any preservative or fire protection treatment or coating not approved by LAMCO;

Product Claims:

All claims considered for replacement of product or compensation must be communicated to LAMCO within 30 days of the discovery of any anomaly covered by this warranty, at the following address:

LAMCO Forest Products Inc. 760 Moraine Road, St-Félicien, Quebec Canada, G8K 0A1 Phone: (418) 679-2121

ANY LAMCO PRODUCTS FOUND TO BE DEFECTIVE AND COVERED BY THIS WARRANTY WILL BE REPLACED AT NO COST PLUS THE COST OF TRANSPORT BETWEEN THE FACTORY AND THE BUILDING OR JOBSITE. LAMCO WILL NOT BE LIABLE FOR ANY OTHER DAMAGES.
